NEWS**

With a record 24 entries, the Cargo M2 City GP14 national championship was held at PSC over the Easter weekend in winds that were uncharacteristically good for the Highveld in autumn, affording keen competition down the fleet.

Olympic courses were mostly sailed.

A fair number of capsizes ensured that the rescue team was kept busy.

In Race 1, Richard Parker and Dave Hawkins in Goobie were first over the finishing line and they kept this up for eight of the

11 races, retaining the Championship Trophy they won last year.

Unyazi, skippered by Pat Michell with Andrew Marsh as crew, took line honours in the other three races.

Pat and Andrew were also awarded the Bell trophy.

Richard's sons, Grant and Stuart, were in hot pursuit and ended third, ensuring them the ERYC trophy.
