

# B2 G2 disqualified in Lipton Cup race

**DURBAN** — At the end of round four of the Lipton Cup Yacht Challenge being sailed off Durban, the final result has been thrown wide open.

The Natal boat, B2 G2, that was lying joint first with Element, was disqualified yesterday for being over the line at the start.

First over the line was Royal Cape Yacht Club's Omega Heatwave, displaying her undoubted abilities, but three days too late. Cape Columbine, the Defence boat, continued with her consistent performance to cross the line second, whilst Galactica, last year's winner, started 10th but hauled her way up through the fleet to finish third. — Sapa
