# Benoni sailors score three out of four

Members of the Benoni Sailing Club grabbed three of the top four places in the Laser Masters Regatta, in Pretoria, over the weekend of August 22 and 23.

Sailing in chilly conditions, with a 48 knot wind blowing off the berg, conditions were far from ideal, but the keen sailors overcame the odds and led their fleet to victory.

Grant Caroline, on Laser 160116, expertly coned his

craft through the choppy waters and biting gale-force wind to finish second overall in the competition.

### Assured

Clubmate Peter Clayton's expert nautical performance assured him of third place. A third Benoni sailor, Laurie Jesperson, raked in fourth place, to give Benoni three of the four top spots in the competition.
