Organizers of Rio race are grateful

THE organizers of the Cape-to-Rio race, in a statement issued yesterday by Mr. Tom Unite, the executive secretary, thank the many hundreds of individuals and organizations who helped to make the event a spectacular success:

The South African Ocean Racing Trust and the Cruising Association of South Africa, joint organizers of the Cape-to-Rio race, would like to express their deep gratitude to the hundreds of individuals, public bodies and their officials, as well as firms who gave so unstintingly of their time and money in support of the race.

Without this generous help, it would have been impossible for the two bodies to have achieved the success with which the whole undertaking has been credited.

It is intended as soon as possible to express our thanks individually to all concerned.
