WITH 2 000 miles to go to the finishing line at Rio, the leaders in the international yacht race are still close on one another's heels. According to the latest position released last night, the French ketch Striana was ahead, followed closely by Graybeard (Canada) and Ocean Spirit (Britain). Then followed Hamburg VII, Pen Duick III, Albatros II and Mercury. The map also shows the remarkable progress Wayfarer has made. She was 25th out of 38 yachts who declared their positions last night. Among the yachts who did not report were Arion, who was reported leading on Saturday night, and Fortuna, the Argentine yawl who has been up with the leaders and seems to have taken the most northerly route.
