The East Rand Yacht Club hosted the very popular and prestigious Kerry-Lee regatta on June 3 and 4.

The regatta originated in 1990 as a result of fund-raising for a young Umkomaas girl of the same name born without arms.

This year the Kerry-Lee Floating Trophy was awarded to Benoni Sailing Club.

Three members of the ERYC did well in their sections. Robert Edwards finished first in his Mirror, Mike Dan won the Enterprise section and Andrew Edwards finished third in his Laser.

This year the charity event donated the money they

raised to the Jubilee Place of Safety in Boksburg.

Past beneficiaries have been the San Michelle Home, Star Seaside Fund and Rainbow Children's Home.

ERYC are the current holders of the "King of Clubs" and "fireball National" titles.

The executive of ERYC would like to extend a warm welcome to any potential newcomers.

The club are embarking on a children's sailing programme that will include four days of camping at the dam.
