

## **Orion bounces back to win on line in thrilling finish**

**PORT ELIZABETH** — There was a thrilling finish to the second race of the Lipton Cup in Algoa Bay yesterday, with less than half a boat length separating the top two yachts at the line.

Defending champions, Orion Challenger, of the Royal Cape Yacht Club, bounced back from Sunday's fourth placing to show that they will not give up the cup without a fight.

Skippers Dave Hudson and Greg Davis judged the inconsistent wind conditions to perfection and had a healthy cushion for the most of the race. Daly's Insurance, skippered by Chris King and Ric Nankin, made a determined effort to overhaul Orion on the last lap.
