Dear Sir,

In view of your part in popularising Dabchicks in S. Africa I thought you would be interested in the attached cuttings.

As you see the first Dabchick class race in Durban was held under our burgee. There are five or six "Dabs" afloat here of which three belong to I.S.C. members but there appear to be many others under construction and we anticipate this being one of the largest classes on the Bay in the near future.

One of our Club's objectives is to encourage and train juniors to

sail and "Dabchick" races are being held weekly from now on as part of that objective.

The standard of helmsmanship is extremely good amongst our juniors and that, coupled with their enthusiasm for yacht racing, we feel will assure the Club of a bright future.

Yours faithfully
